2005 C'EST SI BON

*"The 2005 C'est Si Bon from the Naggjar Vineyard is a blend of 89% Syrah and 11% Cinsault. A Cotes du Rhone-inspired effort, it reveals a deep ruby color, an intriguing perfume of tree bark, raspberries, dusty black cherries, and earth, sweet tannins, medium to full body, and excellent ripeness. This complex 2005 should be drunk over the next 3-4 years."*
