

ELYSE WINERY

ABOUT ELYSE

In 1987, Ray and Nancy started Elyse Winery with 286 cases of Zinfandel from the Morisoli Vineyard in Rutherford. Since then, Elyse has blossomed into a portfolio of Zinfandel, Cabernet Sauvignon, and Petite Sirahs focused on pure expression of fruit with a sense of place. Elyse Winery has been the launching pad for countless wine lovers to explore some of our region's most celebrated vineyards and fall in love with Napa Valley wineries big and small.

After thirty years of stewardship, Ray and Nancy decided that it was time to retire. What began as a casual conversation over dinner at Redd in Yountville evolved into the next chapter for Elyse Winery. In October 2018, Ray and Nancy Coursen sold Elyse Winery to Napa Valley local Josh Peeples and his partner, Cheryl Foil. Perfect timing for both parties, the torch has been passed to continue the same passion for the decades to come. Starting in 2018, Elyse wines are made by acclaimed winemaker Russell Bevan.
